

THEATER ARTS - Young Actors Class NLD 2026-27

Class Duration: 8 weeks each semester

This is a class for younger students to learn about the basics of Theater. We will have chats about Jesus and how He relates to performing on stage. We will play Theater games, get to know each other, and do a small in-class performance at the end of each 8-week session.

NOTE: Your student can take either or both semesters. The beginning of each semester will be a recap of the basics, but will have different games introduced, as well as different in-class performances.

Theater Arts is not just for the student who aspires to the stage. This class will hopefully inspire Creativity, CALM, Character, Confidence, Completion, and Communication for “life’s stage” as well. Helping your student find confidence in their unique relationship with Jesus Christ is NLD’s main goal. Our world desperately needs Christ Warriors in the area of Fine Arts, as well as in all areas of pursuit.
